

Specialty Camp Class Options

- **Canvas Creations** offers a unique blend of directed drawing and watercolor exploration. This exciting program is designed to unleash the creative potential of young artists in a fun and supportive environment.
- Welcome to **Photography Adventures**, our dedicated specialty camp where young shutterbugs can embark on a journey through the art of photography! In this hands-on program, each participant will receive a disposable camera to capture the beauty and excitement around our campus. Campers will dive into the basics of photography and learn about the art of storytelling through images.
- **Culinary Creations**, where young chefs embark on a journey of culinary exploration! In this cooking and baking specialty camp, our campers will cook up some small delights. From adorable pudding cups to perfectly grilled cheese sandwiches, campers will learn the art of creating bite-sized creations.
- Welcome to **STEAM fun**, where young minds embark on Science, Technology, Engineering, Arts, and Mathematics (STEAM)! This specialty camp class is designed to ignite curiosity and foster a love for learning through hands-on exploration and creativity.
- In **Art Madness**, campers will dive into painting, drawing, sculpture and mixed media. This class is all about exploring creativity without boundaries, encouraging campers to think outside the box and develop their unique artistic voice.
- **Media Magic Workshop** is designed for our future filmmakers, YouTubers, podcasters, and anyone with a passion for digital media creation. Participants will get hands-on experience with the various stages of media production. Our curriculum is designed to spark creativity and empower students to bring their ideas to life through the art of visual storytelling.

- This specialty camp class transforms the classic building blocks of Lego into a springboard for imagination, creativity, and engineering skills. This class is perfect for children who love to build, design, and challenge their ingenuity. In **Lego Masters**, campers will embark on a journey through the exciting world of Lego construction.
- **Crime Stoppers** will step into the shoes of forensic experts, using science and critical thinking to solve simulated crime scenes. The class covers a wide range of forensic techniques and principles, including fingerprint analysis and DNA profiling.
- In **Stage Stars**, students will learn the fundamental principles of drama, honing their acting skills. The class emphasizes the creation of memorable moments through performances.
- **Teamwork Lab** is an engaging summer camp class designed to foster collaboration, trust, and effective communication among participants. This program is centered around team building games, trust activities, problem-solving challenges, and communication exercises, all crafted to create a fun and supportive learning environment.
- In **Jewelry Treasures** campers will learn how to design and create jewelry pieces from bracelets and necklaces to earrings and charms. Campers will use an array of beads to create these amazing pieces.
- Campers will engage in hands-on activities and projects that involve building various models using a variety of materials. **Model Mania** will help campers bring their ideas to life through hands-on construction and design
- The **Mad Scientist** class offers hands-on experiments, collaborative projects, and scientific inquiry, students will develop science skills and a lifelong passion for exploration and discovery.

Sports Camp Options

- **Dance camp** will focus on a comprehensive exploration of dance techniques, performance routines, choreography, pattern work, and the unique incorporation of pom poms. This class is designed for dancers who are eager to enhance their skills, learn new routines, and dive into the exciting world of pom dance. Our dance camp will run by Kaitlyn DeMay, former dancer for 2 professional sports teams.
- Our **Basketball Camp** program is designed to improve & grow participants in the game of basketball. This camp provides a comprehensive and enjoyable learning experience for basketball enthusiasts of all skill levels, focusing on fundamental techniques, strategic gameplay, team dynamics, and sportsmanship. Our basketball camp will be run by Eric Jones, former West Orange High School basketball coach.
- Our **Soccer Camp** is designed for young athletes looking to improve their soccer skills, understand game strategies, and enhance their overall fitness and teamwork abilities. This camp caters to players of all skill levels, providing an environment that is both challenging and supportive. Our Soccer camp will be run by Megan Reno, a former collegiate soccer player.
- Our **Football camp** will be a skill-focused program designed for young athlete's eager to explore the world of football. This camp provides participants with a comprehensive experience, combining fundamental skill development, gameplay, teamwork, and sportsmanship in a fun and engaging environment. Our football camp will be run by Sam Weis, assistant coach for Imagine South Lake Charter.
- Whether you are beginners or looking to sharpen their skills, our **Volleyball camp** offers experience in volleyball fundamentals, position-specific training, and hands on volleyball techniques. Our volleyball camp will be run by our Elite Volleyball coaches and staff.
